Sustain the Joint Force

Set the Theater for Competition to Respond to Crisis & Conflict

Train our COMPO 1-3 Forces to Maintain Readiness for Crisis & Contingency

Conduct Theater Security Cooperation IOT Enhance Allies & Partner Opportunities

Innovate & Integrate Emerging Technological Solutions

GENTCOM AOR

1st Theater Sustainment Command provides centralized sustainment Mission Command and executes anticipatory operational –level sustainment support to the Army, Joint Force, and Multinational Forces; sets the theater; supports forces in contact; enables material readiness; and conducts theater security cooperation within the USCENTCOM AOR in order to enable Multi-Domain Operations. Additionally, the 1TSC operates a forward deployed Operational Command Post (CBKU) and a Main Command Post (FKKY) that synchronizes operations for our Strategic JLEnt partners to meet the 1TSC CDR's intent ISO USARCENT's Theater Posture.
