

Army HRC “Four Points”

Vision: A cohesive team of dedicated professionals devoted to caring for the Army’s Soldiers and Civilians and delivering innovative human resources solutions to meet the challenges of 2028 and beyond. Soldiers First!

Caring for Soldiers, Civilians, and Families

HRC maintains world-class Essential Personnel Services, Casualty and Mortuary Affairs Support, and a responsive Service Center

Modernization

HRC implements the Integrated Personnel & Pay System-Army (IPPS-A), the IT Transformation Strategy, and Army ReARMM

Talent Management

HRC utilizes data to shape and enhance talent management initiatives with ATMTF to operationalize Army readiness

Readiness

HRC executes Active and Reserve Component Manning Guidance to support Army Senior Leader and Strategic Readiness Priorities

Mission: HRC conducts world-class talent management and leads modernized Human Resources and data systems initiatives to enable the Army to deploy, fight and win our Nation’s wars.
