

V Corps

Mission: Task Force Victory sustains assurance and deterrence operations, focused on building Allies' and Partners' capability and capacity to respond to crisis, and, if deterrence fails, in conjunction with allies and partners, defend sovereign NATO territory.

Historic V Corps Activation

Our organization:

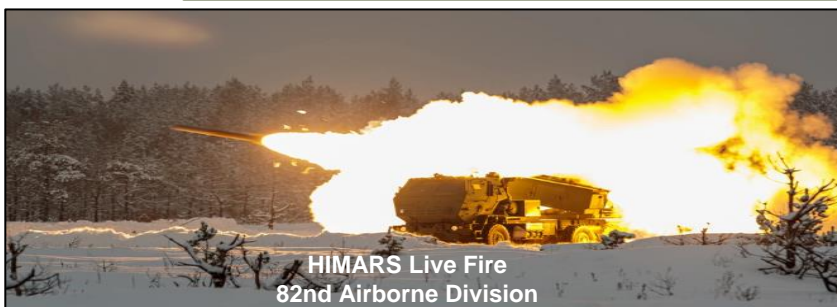

- V Corps was activated on 16 October 2020 on Fort Knox
- V Corps is postured on 2 continents, V Corps HQ in Kentucky and downtrace units within Europe
- Designated as America's permanently Deployed Corps, focused on building operational warfighting capability, capacity, and LSCO credibility

Increase Readiness:

- V Corps established 635 personnel on Fort Knox, KY.
- Downtrace units span of 21, 900 Soldiers Forward
- Continuing to provide opportunities for future talented Soldiers and Civilians, hiring within the community.
